Traveler Info:

Transportation Security Administration (TSA) Secure Flight regulations now require all air travelers to provide their full name as shown on valid government-issued identification, date of birth, and gender to the airline at least 72 hours prior to departure. If you do not have it available at the time of booking you may provide the information directly to the airline at a later time. This information is not utilized for any purposes other than compliance with TSA requirements.

Terms & Conditions for StarwoodHotelsPlus.com

Starwood Hotels & Resorts Worldwide, Inc. ("Starwood") has engaged EzRez Software, Inc ("EZ Rez"), a third party provider, to host this private label packaging web site (the "Site"). EzRez has engaged Connexions Loyalty Travel Solutions (CLTS) to act solely in the capacity as agent for suppliers to provide users of the Site ("you") with products (e.g., airline tickets and car rentals) and services (e.g., tours). Starwood, EzRez, CLTS and any other providers providing product through the Site together with their respective officers, directors, employees, representatives, affiliates, agents, representatives and licensors shall be referred to collectively herein as the "Covered Parties".

These terms and conditions (the "Packaging Terms") govern your use of this Site or any of the services or products made available through this Site and describe your responsibilities regarding such services or products. By using this Site and any of the services or products made available through this Site you agree and warrant that:

- a. you are at least 18 years of age and possess the legal authority to enter into this Agreement;
- b. you have read, understood and accepted these Packaging Terms;

☒ Yes, I agree

Traveler Info

Transportation Security Administration (TSA) Secure Flight regulations now require all air travelers to provide their full name as shown on valid government-issued identification, date of birth, and gender to the airline at least 72 hours prior to departure. If you do not have it available at the time of booking you may provide the information directly to the airline at a later time. This information is not utilized for any purposes other than compliance with TSA requirements.
